

## Healthy Environment - 2016 Funding Opportunity Awards

### Goal 1 - Triple Bottom Line

Total Awarded: \$1,948,162  
Total Awards: 15

---

#### 1000 Friends of Oregon

\$95,000

To update and expand the Regional Equity Atlas, and to engage more community organizations with this tool for analyzing access to resources and opportunities by different populations

---

#### Bonneville Environmental Foundation

\$200,000

For community solar projects that serve low-income residents in multi-family affordable housing and to create job opportunities for disadvantaged workers and businesses

---

#### Central Oregon Intergovernmental Council

\$150,000

For operating support of the Oregon Community Food System Network, a collaboration dedicated to strengthening local and regional food systems that improve economic, social, health and environmental outcomes

---

#### Central Oregon LandWatch

\$60,000

To support a program that advocates for affordable housing and environmental considerations in Bend's land use policy

---

#### Craft3

\$250,000

To establish a clean water loan program that provides financing to Oregon homeowners — nearly half of whom are low-income — for repair or replacement of failing septic systems

---

#### Deschutes River Conservancy

\$160,000

To support a collaborative effort to resolve outstanding streamflow issues in the upper Deschutes Basin while meeting diverse community needs for water

---

#### Drive Oregon Foundation

\$70,000

For a pilot project with Hacienda CDC, an affordable housing provider in Portland's Cully Neighborhood, that uses a car-sharing program to reduce air pollution and save money

---

#### Lomakatsi Restoration Project

\$200,000

For capacity building and communications to expand reach of forest restoration work that merges traditional ecological knowledge and ecosystem management practices to generate jobs in Oregon's rural and tribal communities

---

#### Northeast Oregon Economic Development District

\$53,162

To strengthen regional food systems in Northeastern Oregon by conducting an assessment of the local food economy and feasibility of its expansion, as well as engaging community leaders in state and local food policy efforts

---

**NW Energy Coalition** \$95,000

To add outreach staff to engage low-income and communities of color in clean energy policy development that includes rulemaking for a new statewide community solar program
